

fun on the internets

techfest 2010

marin country day school

duh

 our lives are complex

 tech and the web are integral to everything now

- work
- home
- family and friends

 technology is a double-edged sword

- simplifies (consolidation, immediacy)
- complicates (infinite, ever changing)

 own IT, not the other way around

- maintain and strengthen relationships
- prioritize and deliver entertainment
- discover new things/interests

 stay informed - on your own terms

kids these days

🌳 web is the conduit for entertainment

- music
- videos
- games

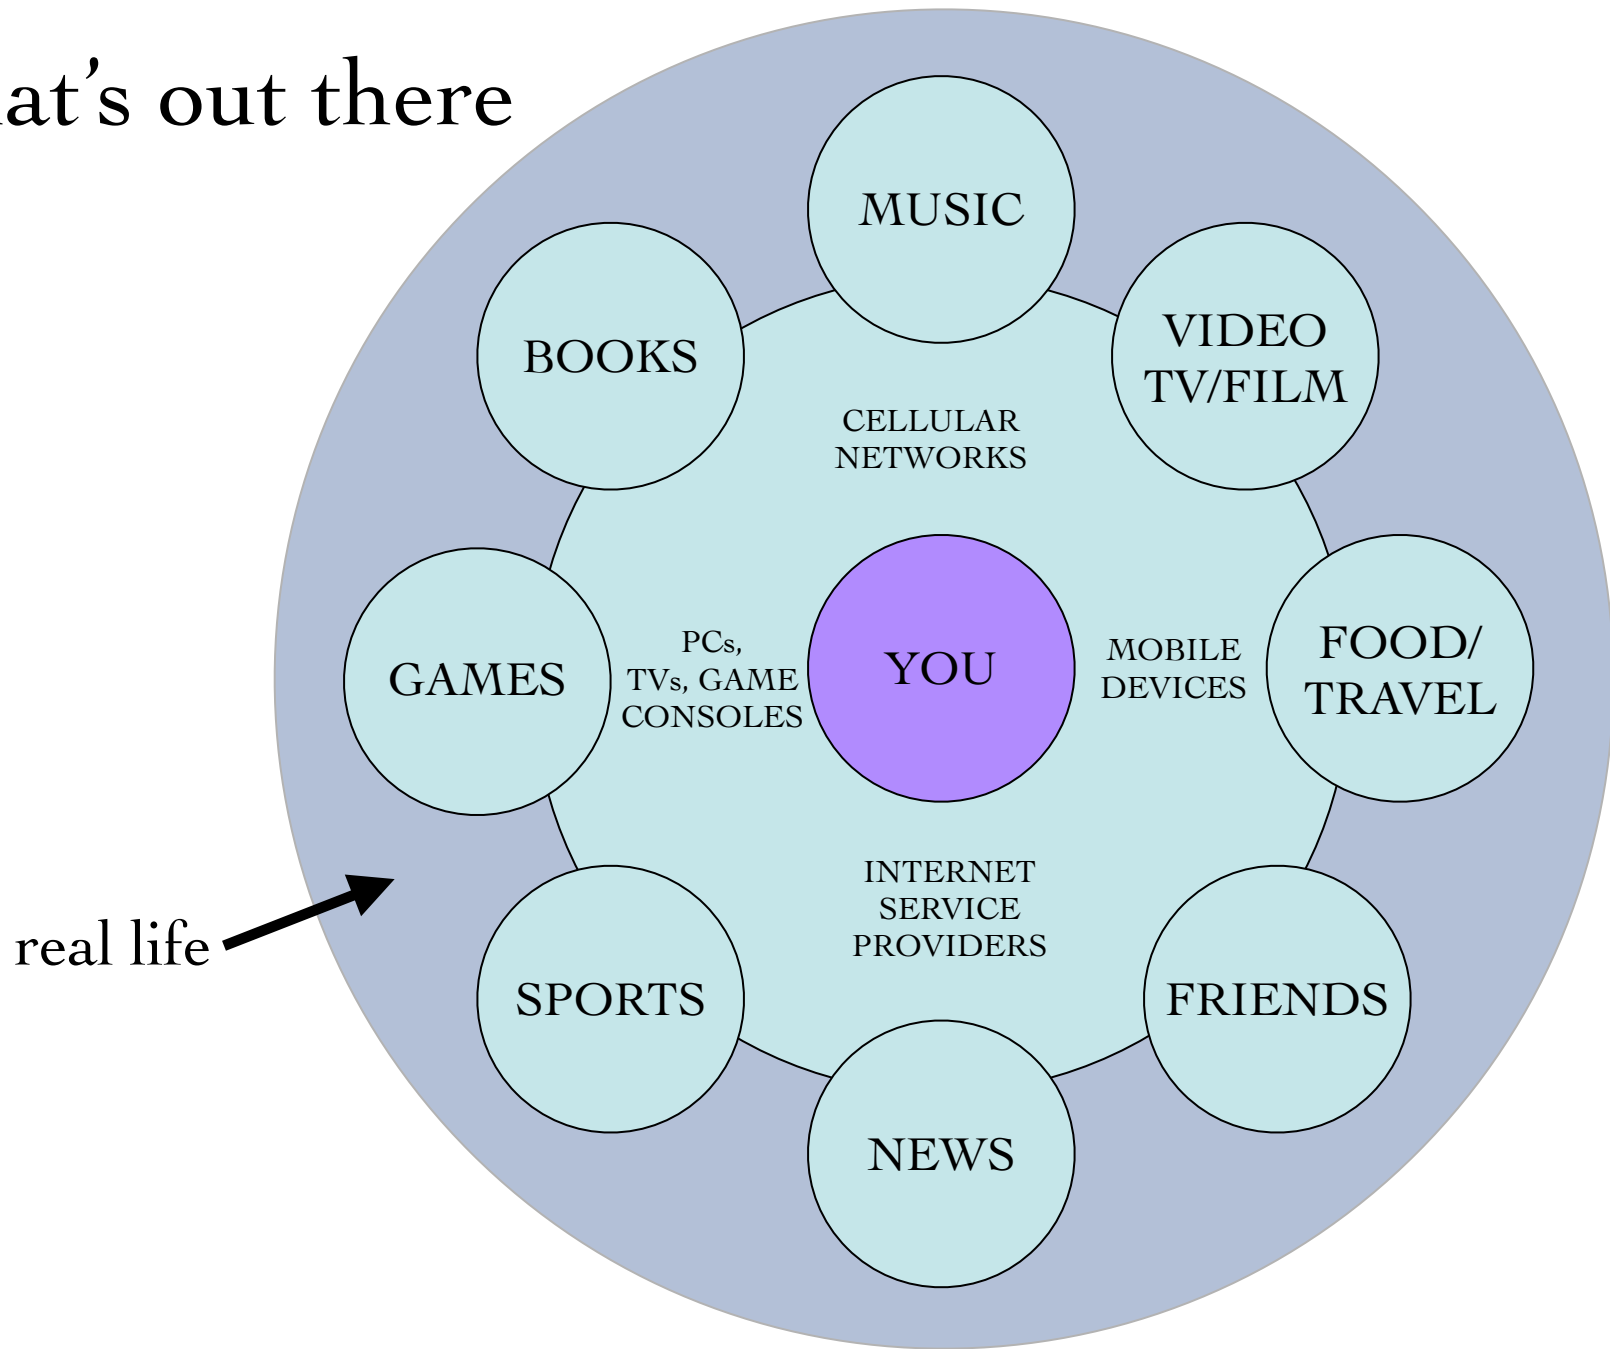

🌳 if you can't beat 'em

- share in the fun
- learn to speak 'their' language
- there is no turning back

🌳 knowledge is power

- stay connected
- chart your own path
